REPUBLICAN CLUB.

The annual meeting for the election of officers of the Janesville City Republican Club will be held at the Court Room, on Saturday evening, Oct. 1st, at seven o'clock. It is hoped that not only every member of the club, but every republican in the city will be present. All republicans who have *not* joined the club will have an opportunity to become members.

At the close of the election, Messrs. J. H. Knowlton and I. C. Sloan, of this city, will address the club.

A. A. JACKSON, Secretary.

STATE FAIR.—Extra trains will leave Janesville on the M. & M. R. R. at 5.15 A. M. each day during this week and return, leaving Milwaukee at 5.45 P. M. sep38d3d

HOUSES TO RENT.—Three good houses to rent. Enquire of W. B. Strong, at the M. & M. R. R. depot. sep28d3d

School Matters.

From a report made by the clerk of the board of education, we learn that the enumeration of scholars, over five years of age and under twenty, residing in the different wards of the city, on the 1st day of September, taken by Orin Gurnsey, resulted as follows:

	Males.	Females.	Total.
1st ward	449	495	944
2d "	435	506	941
3d "	239	273	512
4th "	637	655	1292
	1760	1929	3689

The amount of expenditures on account of schools, during the school year ending the 17th of July last, was $9,931 43. The estimated amount of all kinds of school property in the city of Janesville is $65,000. The number of scholars registered and taught during the year was 1499.

Amount of city tax levied for ensuing year,	$6,500
" which will probably be received from state,	2,000
" " " " county,	1,400
" " " " foreign scholars	200
	$10,100

If the board of education alone audited accounts against the school fund, they would be able to show the exact state of that fund, but inasmuch as the council orders payments to be made from it, of which the board has no knowledge, no exact account can be made of its condition from the books in their office.

Religious Services.

The following is the order of exercises in several of the pulpits of the city as arranged by the Presbyterian and Congregational convention now in session in this city, for to-morrow (Sunday.)

Rev. C. W. Camp will preach in the Congregational church in the morning; to be followed by the sacrament of the Lord's supper.

There will be a general meeting of the Sabbath schools of the city in the same place at 3 P. M.

The installation of Rev. M. P. Kinney as pastor of the church in the evening; Prof. Haven of Chicago preaching the sermon.

Rev. L. Clapp will preach in the Methodist church in the morning, and Rev. L. L. Radcliff in the evening.

Rev. I. N. Crandall, in the Baptist church in the morning, and Rev. N. D. Graves in the evening.

Rev. Dr. Chapin will preach in the Presbyterian church, and Rev. E. J. Montague in the evening.

Revds. Morris and Stoddard will preach in the Primitive Methodist church.

Revds. Morris and Lewis will preach to the Welsh people.

The pulpits of the city are supplied by convention by request.

IMPROVEMENTS.—The foundation for a new woollen factory by F. A. Wheeler & Sons, and a new foundry and machine shop, have been commenced on the east side of the river, below Norris' saw mill. Matters generally about the water power are looking better. The repairs on the dam are nearly completed; there is an increased quantity of water in the river, and several places which have been compelled to suspend work for want of water, are again in operation.

RAIL ROAD TRIAL.—The Beloit Herald learns that the case of Perry M. Welch against the Chicago & Galena Union R. R. company, for the destruction of his house and property at the great railroad calamity at Roscoe in 1858, was yesterday concluded in the Boone circuit court at Belvidere, and a verdict rendered against the company of $1,100.

The engine house of company No. 1, at Beloit, was entered last Monday night by some miserable villains, who destroyed the books of the company and injured the engine.

☞ Blackwood for September has the following articles: Horse-Dealing in Syria, 1854; Felicita—Conclusion; Voluntary and Involuntary Action; The luck of Ladysmede—Part VII; Fleets and Navies—Part II; Journal of a cruise on the Tanganyoke lake, Central Africa; A dream of the Dead; The Election Petition—Who does the bribery; Jersey to the Queen; Foreign Affairs—The disarmament. Republished by Leonard Scott & Co., New York.

FIREMEN'S PRIZES.—The judges for the trial of fire engines at the state fair awarded the first class prize to the Racine engine, and the second class to the Madison engine. The Milwaukee papers were in error in assigning the second prize to No. 2 of this city.

The proprietors of the Great Eastern realized over twenty thousand dollars from admission fees during the time she was open to visitors.

FIREMEN'S SECOND TRIAL.—The second trial of engines, for the prizes offered by the Milwaukee fire department took place Thursday afternoon. A procession of sixteen companies, with their engines, making a line nearly three-quarters of a mile long, marched to the place of trial. On the trial for distance the following companies competed, and with the annexed results:

FIRST CLASS.

Milwaukee No. 1,	169 feet	
Neptune No. 2,	189 "	6 inches.
Ocean No. 5,	162 "	2 "
Fillmore No. 6,	175 "	2 "
Washington No. 8,	184 "	6 "

SECOND CLASS.

Oregon No. 3,	150 "	6 "
Rough and Ready No. 4,	152 "	3 "
Germania No. 7,	150 "	
Madison No. 2,	159 "	7½ "
Janesville No. 1,	162 "	6 "
Fond du Lac No. 3,	168 "	6 "

In this trial, Engine company No. 2 of Milwaukee, was the victor, having thrown its stream a distance of five feet further than any other engine upon the ground.—Among the second class engines, No. 3 of Fond du Lac was entitled to the prize.

The next trial was upon quantity. The engine taking the prize on streams was not allowed to contest for the second. The same tank was used into which the engines played on Wednesday, and the following is the quantity placed in it by each engine:

Milwaukee	No. 1,	3 feet 8 3-8 inches.
"	" 3,	2 " 11 1-4 "
"	" 4,	3 " 5 1-8 "
"	" 5,	3 " 10 "
"	" 6,	3 " 9 5-8 "
"	" 7,	2 " 9 5-8 "
"	" 8,	3 " 7 3-4 "
Madison,	" 2,	3 " 5 5-8 "
Janesville,	" 1,	3 " 4 3-8 "

John R. Bennett acted as judge for No. 1 of this city.

BUSINESS OF THE CITY.—The business of this city is rapidly improving, and its streets are putting on the old-time appearance. Large quantities of grain are coming in, and all departments of trade are showing increased activity. Go ahead, is the word.

A "PUFF" FROM A GOOD MEERSCHAUM.—Owing to the daily increasing demand for meerschaum pipes, and the diversity of taste displayed in the selection of them, Messrs. Webb & Lee have ventured upon a new plan for furnishing their customers. They have procured from the importer the privilege of exhibiting a good specimen of every variety of pipes or cigar holders, all of the first quality of meerschaum. This plan enables a purchaser to use his own discretion in the matter and gives him the advantage of selecting as if from the importer's own stock. Messrs. Webb & Lee intend to keep these samples open for the inspection of the public *only two days*, as the time required for transportation will prevent longer absence from the importer's stock.

NEW FLOURING MILL.—Messrs. J. C. Jenkins and Horace Dewey have purchased the lots and water power used by the old saw mill at the head of the race, and commenced work upon a new flouring mill. It is expected the mill will be in operation by the first of January next, with 3 run of stone.

A WELL-FILLED STORE.—Morse & Brothers are filling up their store with one of the heaviest and best stock of goods brought into our city this season. Their assortment embraces everything that anybody may need, from the costliest fabric to the cheapest staple article. They are building up an excellent and reliable trade, by the manner in which they conduct their business and the satisfaction they give their customers. Such men are sure to prosper.

☞ The annual state convention of the Congregational and Presbyterian churches in this state has been in session in this city since Thursday morning last, and will close its labors this evening. The attendance of clergymen is large, and we hear, generally, that the sessions of the convention have *been very interesting.*

To-morrow (Sunday) evening, we understand, the Rev. Mr. Kinney will be installed as pastor of the First Congregational Church in this city.

A machine has been patented in England for copying the written manuscript of a message, and though it has worked successfully for a distance of three hundred miles, it is yet in a crude state. The communication is written on tin foil with varnish. The foil is placed in the machine, and by the use of some ingenuous devices, which come alternately in contact with the non-conducting varnish and conducting foil, make and break the circuits in a manner corresponding to the shape of the letter, which is duly registered at the other end of the line, on chemically prepared paper.

Dr. Christie's Ague Balsam.

Messrs. Hunt & Gardner—Gents: I wish to make known to the public an article from which I have derived more benefit than from all other medicines which I ever used. I have been suffering from fever and ague and its effects for the last five years, in which time I have scarcely enjoyed a single day of good health, until I procured from your drug store a bottle of Dr. Christie's Ague Balsam. In a few days I found myself clear of ague and rapidly recovering in health. I have not felt a symptom since I commenced taking it (about three months,) *although constantly exposed to cold and weather.* To my friends and the public generally, suffering from this disease in any form, I would say, procure a bottle, and save health, constitution and money.

Yours, J. B. GROSCOST.

During the summer that has just passed away, thousands of sufferers from dysentery and diarrhœa have been relieved by the use of Hostetter's Bitters, a medicine which is evidently destined to maintain a permanent place in the public estimation. Billious diarrhœa is one of those diseases which baffles the skill of the physician. The medicine they administer to act upon the bowels never seem to reach the source of the evil.—The difficulty is to get a remedy that will reach all the digestive organs, and give them simultaneously a rush of vigor, to rid themselves of this disease. This problem is solved by the Bitters, which never fails to conquer the most stubborn cases. It is only fair to say, that during the season just closed, this medicine has achieved more cures than any other ever presented to the public, and during the fall, which that terrible scourge, the fever and ague, is so prevalent, the Bitters will gain fresh fame. Sold by druggists and dealers generally, everywhere. ☞ See advertisement in another column. oct1d4w

Bolles, Smith & Co.—Gentlemen: In using Scovill's Stillingia and Sarsparilla, I did so more from the persuasion of friends than from confidence in its merits in my own mind. I had been long in the hands of the ablest physicians without relief. After many years of painful sufferings, afflicted with scaley eruptions over my whole body, and many running sores under my ears, arms, and other places, and life seemed but a burden, I have the pleasure to inform you that I have recovered, and once more enjoy the blessings which this world affords. All this is the work of your Sarsparilla. I am satisfied that there could be no greater blessing conferred upon my fellow citizens than the administration of your Blood and Liver Syrup in sickness and disease. Please accept assurances of my high consideration, and believe me your obliged and humble servant, JOHN B. LAWSON.

CLAIRVOYANCE!

DR. LATHROP, OF NEW YORK,

WOULD respectfully inform the inhabitants of Janesville and vicinity, that he has opened an office at his residence, for the purpose of treating diseases on the Clairvoyant principle. Through precision, I am enabled to cure many diseases that are beyond the reach of medicines. I have had 12 years' experience in this manner of treating diseases attended with great success in New York and Syracuse. I had a number of years medical practice before I became clairvoyant. Invalids suffering from old chronic difficulties, will do well to give me a call. Acute diseases treated with new remedies discovered while in the superior state; these are especially applicable in fevers and sudden billious attacks, which readily yield to the harmonizing influence of these medicines.

WHICH has been in successful operation in this city for the last month, is open day and evening for preparing students for the *practical* duties of Merchants, Clerks, and other active pursuits of life.

PENMANSHIP.

The style of Writing, Business, Epistolary, &c., taught at this establishment, is admitted to be elegant—susceptible of being written with rapidity, and very easily acquired. Specimens of improvement made in the writing of pupils, are exhibited as the best possible demonstration of the entire practicability of this method of teaching, which, without pretending to the notorious impossibility of imparting "*good penmanship in six or twelve lessons,*" certainly secures to the learner a superior style of writing in much less time than is usually devoted to that end.

BOOK-KEEPING.

The course of instruction in Book-keeping, is of the most thorough and practical character—not the mere school-boy theories of the Academies, nor yet confining the student to any peculiar method or style of keeping books, but such general and comprehensive knowledge as will enable those who complete the course, at once to perfectly understand and take the charge of any set of books, kept upon any principle whatever.

TERMS:

Cleanse Your Blood by Using Scovill's

BLOOD SYRUP.

Cleanse Your Blood by using Scovill's Blood and Liver Syrup. The recipe is given to all physicians, that they may know what they are using. The combination of Sarsaparilla with Stillingia, &c., is well known to all medical men as the best compound to purify the blood ever used. It cures Scrofula in all its worst forms. All diseases of the skin it cures effectually—Syphilitic Swellings, Erysipelas, Scald Head, Salt Rheum, Female complaints, Tumors, King's Evil, and all diseases arising from any impurity of the blood. Physicians will tell you to let alone all proprietary or quack medicines, as they call them. Why? For the simple reason that they are put up with printed directions and the name and label is copyrighted. Show them the formula of preparation, and in nine cases out of ten they will approve of it. There are testimonials from physicians whose prejudices are over-balanced by their good sense of the excellent virtues of Scovill's Blood and Liver Syrup, and who are using it for their private practice. Sold by John D. Park, Proprietor, Chicago, Ill.

USE CHRISTIE'S AGUE BALSAM.

The best ague cure in use. A remedy prepared by a regular physician. A preparation free from all mineral ingredients. Equally effectual in Ague and Chill Fever. When taken according to directions, is a sure cure. It never debilitates the patient like other remedies. It is a pleasant, safe and effective remedy for children. It has stronger certificates than any other remedy. When once used it will ever after be sought for. In short, it stands at the head of Ague cures.

Dr. Christie's Balsam for Ague and Fever is winning golden opinions as a preventive and cure for that dreadful disease. Much of the dread experience by persons emigrating to a new country will be removed when they know how easily and thoroughly the Balsam cures the disease for which it is designed.—*Monmouth Guardian.*

The above is only one of the numerous favorable notices of a free and untrammeled press. When such a powerful friend as the press speaks in its favor, it cannot be otherwise than popular.

John D. Park, Proprietor, 124 Lake St., Chicago

Hall's Lung Balsam.

Hall's Lung Balsam, in all cases, gives the best of satisfaction.

Hall's Lung Balsam has wrought more cures since its introduction, than any other cough medicine.

Hall's Cough Balsam is endorsed by our leading physicians as the safest and best remedy now before the public.

Hall's Lung Balsam is safe to use among children and yet powerful in case of chronic pulmonary disease.

Hall's Lung Balsam brings in certificates almost daily of its wonderful cures in all parts of the country.

Hall's Balsam for the Lungs is sold by the druggists of Janesville, and by agents in every town in the country.

The more striking proof of the intrinsic worth and excellence of Dr. Hall's Balsam for the lungs is shown in the rapidity with which it becomes a general favorite with the people. There is nothing of a similar nature but what is cast into the shade when the Balsam has been thoroughly tested. The agents for its sale the country over, in ordering new supplies, are very enthusiastic in its favor, saying, "It is just the thing; it acts like a charm; its effects are truly magical." The afflicted can obtain the medicine of John D. Park, Proprietor, Chicago, Ills., to whom all orders should be addressed.
